

WEST TOWN CRIME STATS JANUARY 2008

Break and Enters

During the month of January, **11 Break and Enters were reported**. The break down by area is: **Westdale** x 6, **Kirkendall** x 2, and **Strathcona** x 3. The only trend observed was opportunity. Three entries were due to insecure windows and doors. Occurrences were forwarded to the Crime Prevention Coordinator where his services may be of assistance.

Two of the entries were reported in January but may have occurred in December during the Christmas holidays when students left after exams and did not return until after the New Year.

Stolen Auto's

During the month of January, **5 Stolen Autos were reported**. The break down by area is: **Westdale** x1, **Kirkendall** x 1 **Strathcona** x 3. There are no suspects at this time.

Stolen Auto Recovery

During the month of January, **4 Stolen Autos were recovered**. The break down by area is: **Westdale** x1, **Kirkendall** x 2, and **Strathcona** x 1. There appears to be no pattern to where the vehicles were located.
