Updated as of Tues 12 Aug 08

**Notes from the Crime Manager:**

The month of July saw a reduction in Stolen Autos, Theft from Autos and a small increase in Robberies as well as Break & Enters.

Theft from autos continues to be the number one crime in Division One. I cannot stress enough, the need to ensure no valuables are left in your vehicle while it is unattended. Although we have seen a significant decrease from last month, we must still be vigilant in reporting all entries regardless if you intend to go through your insurance or not. The only way to compile stats and possible suspects is with your assistance.

During the month of July, the Crime Manager's office ran a project called Silver Steal. This project was to address the issues of thefts from autos and graffiti throughout Division One. I am happy to report 17 arrests were made, totalling over 50 charges.

The GPS Team have been very busy and have removed hundreds of tags from various parks around town. As mentioned in an earlier post, their mandate will expire at the end of August. In September, all graffiti should be reported to the city 905 546 CITY (2489). If you see graffiti in progress, remember, it is a crime. Call 9-1-1.

Uniform and plain clothes officers continue to monitor the parks. 9 persons were arrested for using the pool in Coronation Park after hours and 7 youths were arrested for possession of alcohol in Highland Park.

## Graffiti

The following tags are from the same person. KEENUR, EVIL, REBEL, SCOPE, KEEN. They are everywhere in the city. I am preparing an arrest warrant for this individual and request your assistance. If you locate any of these tags in your area, please send me a quick e-mail as to the location. This will assist in the sentencing.

I would like to close by sending a big thank you to Councillor McHattie and the City for closing off a portion of fencing in Dundurn Park. The park is now safer for everyone to enjoy.
