Notes from the Crime Manager:

The month of August saw a reduction in Robberies and a small reduction in stolen autos.

Theft from autos continues to be the number one crime in Division One. I cannot stress enough, the need to ensure no valuables are left in your vehicle while it is unattended.

The GPS Team (Graffiti Prevention Strategy) have now concluded after their three year grant. 1,000 graffiti tags were removed this summer, 1,338 photos documented and 1,026 community members reached through the GPS education program.

Evidence collected from residence

As most of you are aware, KEENUR was arrested on Sunday the 31st of August. Because he was a youth for some of his crimes, his name cannot be revealed. He was charged with 8 counts of Mischief, and 1 count of Robbery. He was not granted bail and will be appearing to set a date on Wednesday the 17th of September. He will remain in custody until then. As you are aware, I requested that you forward known locations of his tags to me so that if arrested we could use the information towards sentencing purposes. I am very grateful to report that I have received over 100 e-mails identifying locations. Although some were duplicate locations, it allowed me to add to the crown package an additional 65 locations. During his debrief he did indicate that he was the only person in the city to tag with that name. I will keep you updated on this case as new information becomes available. Once again, thank you to everyone who took the time to send me an e-mail!
